# LOOKING FOR A GREAT OUTDOOR EDUCATION TRIP FOR YOUR STUDENTS?

The Elite Camps Outdoor Leadership Centre is the ideal location for your school's next overnight outdoor education excursion. Our staff will guide your student group through exciting programming that fulfills curriculum expectations while giving students a new respect for the outdoors, a new appreciation for their fellow students, and a new confidence in themselves.

We have basketball courts overlooking the lake, a stunning waterfront, newly constructed air-conditioned cabins and an assortment of outdoor land and waterfront activities. We also Custom-Build our programming to meet any curriculum requirements you may have. Your students will be talking about this trip all year, and for the rest of their lives.

## OUR PROGRAMS

Students will get to experience all of the activities that the Elite Camps Outdoor Leadership Centre has to offer, which include:

**BASKETBALL, SWIM, CANOE, KAYAK, STAND UP PADDLEBOARD, TUBING, ROPES COURSES, WALL CLIMBING, BEACH VOLLEYBALL, ARCHERY AND MORE.**

Students will also get to participate in activities and games that are custom built for their group and meet the curriculum expectations set out by the school.

## YOUR ROLE

Throughout your stay at the Elite Camps Outdoor Leadership Centre, our staff will lead all programming both during the day and at night. Your primary role will be to act as a chaperone and to allow our staff to do what they do best: deliver fun, impactful, and educational programming!

Prior to your stay with us, we are more than happy to assist your school group in any way we can. If you would like help drafting a letter to gauge parent interest in your school community or if you would like our camp director to host an Information Night at your school, we would be more than happy to do that. Just let us know how we can help!

## LOCATION

2 hours and 45 minutes from Toronto, the Bruce Peninsula is the perfect location to escape the city and get the most out of an outdoor education experience. The Bruce Peninsula is a UNESCO World Biosphere Reserve, and our 75-acre property is perfectly situated for students to experience the beauty that Ontario has to offer.

## FOOD

We partner with an excellent catering company whose staff prepare fresh, nutritious food on-site every single day. We provide 3 meals and 2 snacks each day, and students can buy extra snacks at our camp store.

*Please note that we are a nut safe facility and that vegetarian, gluten-free, and special diet options are available at an extra cost.*

## ACCOMODATIONS

- **Sleeps up to 140 people**
- **9 temperature-controlled cabins that each sleep up to 14 with bathrooms and showers in each cabin**
- **1 temperature-controlled cabin that sleeps up to 6 with a bathroom**
- **3 family-style cabins that sleep up to 10 each**
- **3 single occupancy bunkies**

*All cabins are equipped with air conditioners to keep our athletes comfortable.*
